Due date: Friday, September 1, 2023

What do to:

Go to the 5th grade page on my website. Look for the list of suggested online resources and games. What sport is associated with the dividing fractions resource? Write the sport on a piece of paper, and turn it in with your homework no later than the due date above.

Be sure to include your name and class on the paper so I know who to give the bonus to! 😊
